Momentum Builds for the 2028 Can-Am Police-Fire Games
Official Dates and Sport Lineup Announced

Planning for the 2028 Can-Am Police-Fire Games continues to advance as Regina prepares to welcome first responders from across Canada and the United States for a week-long multisport event from August 13 – 19, 2028.

The Can-Am Police-Fire Games are a biennial event that brings together sworn and civilian members of law enforcement, fire services, EMS, corrections, emergency management, and other public safety organizations. Eligible family members, including spouses and adult children, may participate in select events.

"We are thrilled to host first responders from across Canada and the U.S. for a week-long celebration of fitness, skill, and service," said Jennifer Johnson, co-chair of the Regina Can-Am Police-Fire Games. "We are also excited to show off Regina as a hosting destination. We've included some optional events, like flag football, that will showcase our city, the people in our community and our sport venues."

Sports Lineup
The 2028 Games will feature a wide range of sports including traditional athletic competitions, specialized first responder events, and activities that highlight Regina's distinct sporting culture.

Signature events include Toughest Competitor Alive and Toughest Firefighter Alive, alongside Disc Golf, a sport with deep roots in Saskatchewan. Flag football is also a natural addition, with Regina being home to the largest flag football league per capita in North America. The Games will further showcase technical first responder expertise through events such as Police Motorcycle Skills, Police Service Dog, and shooting disciplines.
